FOR IMMEDIATE RELEASE- Thursday, April 28, 2016

Four Stations Respond to Structure Fire

JOHNSON COUNTY, MO – At 11:00 PM on Wednesday, April 27, 2016, Johnson County Fire Protection District's Stations 4 (Knob Noster), 6 (Valley City) and 10 (Warrensburg) were dispatched to a structure fire in the 300 block of NE 1201 Road, northeast of Knob Noster.

Due to floodwaters along NE E Highway hindering Station 6's response, Station 1 (Headquarters/Warrensburg) was requested and dispatched to respond.

Personnel from Station 4 arrived and found a large two story garage multi-use structure mostly engulfed. Crews extinguished the fire utilizing interior and exterior fire attack.

In addition to the structure being damaged by fire, two vehicles parked inside the garage as well as a UTV parked outside the garage were all destroyed. The heat from the fire also damaged a residential structure near the garage.

Crews cleared the scene shortly after 3:30 AM Thursday.

The cause of the fire is under investigation by JCFPD fire investigators.
