District Responds to House Fire

JOHNSON COUNTY, MO – At 3:48 PM on March 22, 2016, Johnson County Fire Protection District's Stations 4 (Knob Noster) and 10 (Warrensburg) were dispatched to a residential structure fire in the 1100 block of NE 15 Road east of Knob Noster.

Upon arriving, personnel found extensive fire involvement on the exterior and inside the rear of the structure. The first arriving personnel began a fire attack from the exterior of the structure until additional personnel arrived and began an interior fire attack.

The fire caused extensive damage to the rear of the residence, but personnel were able to keep the fire from spreading throughout a majority of the living space.

NE 15 Road remained closed at D Highway while crews extinguished the fire due to hose line placement across the roadway. The road reopened when crews departed the scene.

The cause of the fire is under investigation by JCFPD fire investigators.
