NEWS RELEASE – Tuesday, July 7, 2026

Commercial Fire Response at Arwood's Furniture

WARRENSBURG, MO – The Warrensburg Fire Department and Johnson County Fire Protection District are currently on the scene of a commercial fire at Arwood's Furniture in Warrensburg.

At approximately 8:15 p.m., emergency crews were dispatched following reports of a large fire and explosion at the business.

Upon arrival, firefighters located a significant fire on the exterior of the building and heavy smoke inside of the business. Crews quickly extinguished the exterior fire and are now conducting a comprehensive assessment of the interior to determine whether the fire extended into the structure. Due to the size of the building and the quantity of its contents, this assessment is expected to take an extended period of time.

Arwood's Furniture, located along U.S. Highway 50 on the east side of Warrensburg, is one of Missouri's largest furniture retailers, encompassing more than 126,000 square feet.

The Johnson County Fire Protection District and Whiteman Air Force Base Fire Departments are providing coverage to the City of Warrensburg.

No additional information is available at this time. Updates will be provided as more information becomes available.
